

Customer Notification

DOCUMENT NUMBER: B-CN-001-ENG Rev. A DATE: February 28, 2012

Subject: **Discontinuation of Part Number 100412 -
Suction Service Valve Kit**

Scope

All Danfoss Turbocor Compressors Inc. (DTC) customers.

Supersedes

No document is superseded by this document.

Purpose

To inform customers of the discontinuation of Part Number 100412 – Suction Service Valve Kit.

Summary

Part Number 100412 – Suction Service Valve Kit will no longer be offered by DTC as an Accessory.

Alternative

Use standard DTC suction flange, brass (p/n 100402) or steel (p/n 100151) and purchase a standard ball valve at your local HVAC wholesaler.
