Customer Notification

B-CN-032-EN Rev A

March 15, 2016

SUBJECT: DTC Training Roadshow 2016

Purpose

The purpose of this document is to inform DTC customers of the specialized training sessions being offered at East Coast and Midwest locations in 2016.

Summary

We are pleased to invite you to join the DTC Training Roadshow at one of its stops in Baltimore, MD., or Loves Park, IL. Two training sessions will take place at each location. DTC offers a series of training classes designed to provide the necessary information for selling, operating and servicing Turbocor products and their applications.

The Baltimore and Loves Park sessions are specialized for Field Service Technicians.

Highly qualified and field-experienced instructors from the DTC Learning Center will provide you with a high level of training. **Seats are limited for each session, so register today!**

What do you know about the Turbocor Compressor?: (e.g. any past experience?)

Cancellation Policy

Please confirm your class reservation at least 2 weeks prior to course start date. Cancellations must be made at least 30 days prior to the course start date to receive a full refund.

Cancellations made three weeks prior to the course start date will receive a 50% refund. No refunds will be issued for cancellations made 10 working days prior to the course start date. An alternate person may use a confirmed space without penalty and substitutions may be made up until the start of class.

DTC reserves the right to make changes to the course content or schedule. In the unlikely event of a schedule change or cancellation of a training class, DTC is not responsible for associated fees.

Travel to the Danfoss Loves Park/Rockford Facility

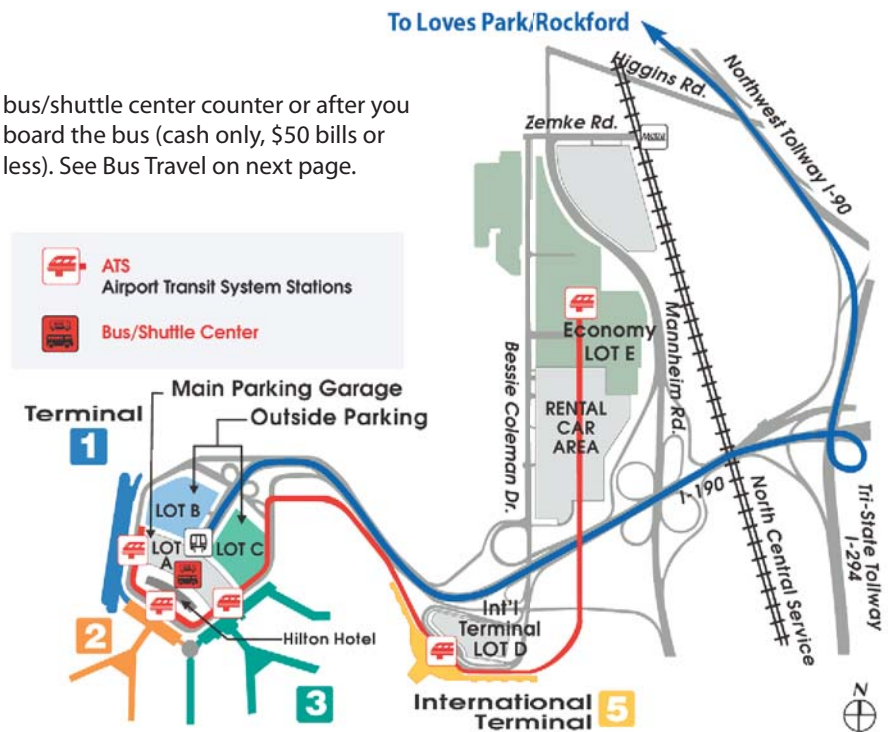

Airports Chicago- O'Hare Airport

Once you have retrieved your luggage (and cleared customs, for international travelers), you can either rent a car or take a bus to Rockford.

Car rentals: Several of the rental car companies provide small shuttle buses or vans that will take you to their rental offices from various areas around the airport. For more information, check with your rental car company or www.ohare.com.

Bus tickets: Domestic travelers should follow the red signs to the bus/shuttle center, where the bus stops outside of door #4. For international travelers, the bus leaves from the lower level of the international terminal, exit 5E. You can purchase bus tickets online at www.vangalderbus.com, at the

bus/shuttle center counter or after you board the bus (cash only, \$50 bills or less). See Bus Travel on next page.

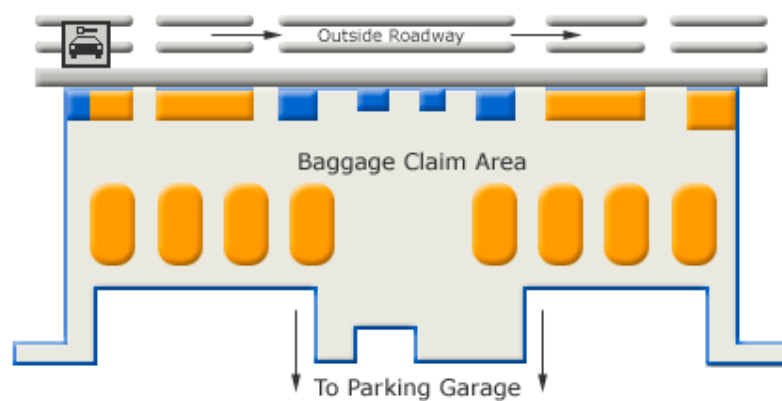

O'Hare International Airport Terminal Map

Chicago – Midway airport

Rental car agencies are located inside the terminal, Lower Level Arrivals. Drive North on Cicero Ave and take Interstate 290 west to Interstate 90 west toward Rockford.

A bus leaves from in front of the main terminal building of Midway Airport and goes directly to Rockford. See *Bus Travel* on next page.

Midway Airport Main Terminal Building Lower Level

Rockford Airport

There are a limited number of flights into Rockford Airport. For information and flight schedules, visit www.flyrfd.com.

Rent a car to get from the airport to the hotel area. See map on next page.

Car Travel

From Chicago, take I-90 West toward Rockford. There are four Toll Plazas on the way: three charge 80 cents and the last charges \$1.60.

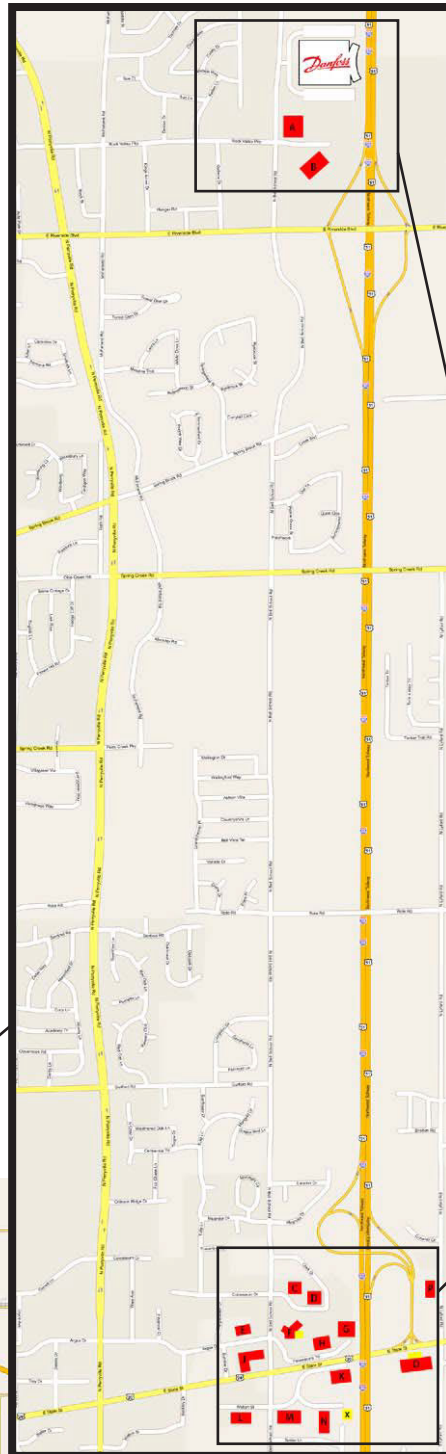

Please note:

- The toll collectors only take US currency.
- Stay to the right and follow the signs that say "Cash."
- Avoid the "I-PASS" lanes. These require a transponder that automatically deducts your tolls, and do not allow you to pay with money.

The ride is 1½–2 hours for light traffic conditions. For hotels C through P, exit onto US Business 20 (State Street). Then: for C through N, go west (right) toward Rockford; for O, go straight; for P, go to the left.

For A and B, take the East Riverside exit, which is an additional three miles north (west) on I-90. This exit has another toll that requires 30 cents in exact change.

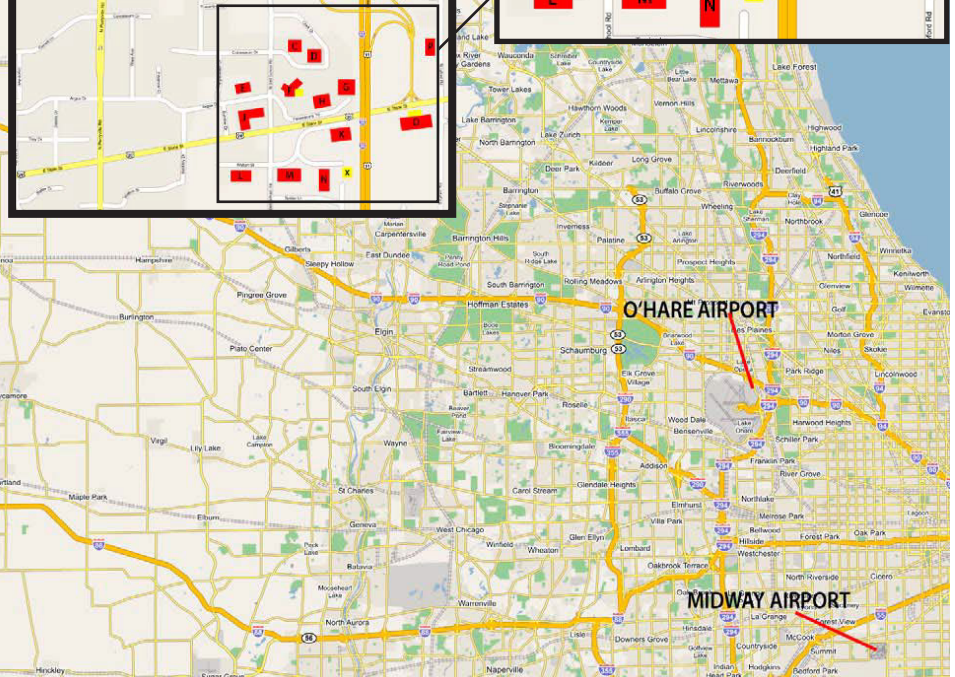

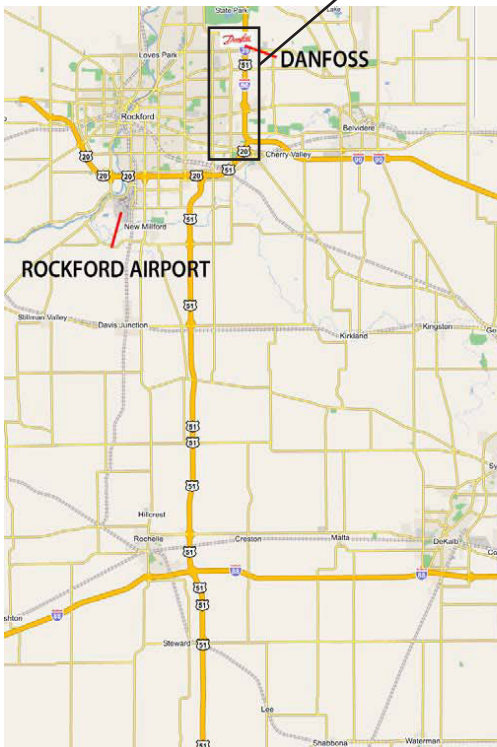

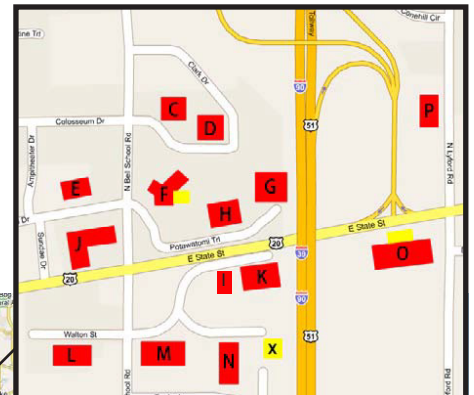

If you are coming from the south using Interstate 39, you can avoid the tollway by taking the Harrison Ave. exit. Go west to the next traffic light, turn right, then turn right again around the Road Ranger Gas Station. This road (Bell School) takes you north to the hotel area on State Street.

Bus Travel

Van Galder Bus (a Coach USA company) runs buses from O'Hare and Midway Airports into Rockford. On the map below, X marks the Van Galder bush terminal. Other yellow areas mark additional stops at the hotels. For more information, tickets and current schedules, visit www.vangalderbus.com

Hotel Accommodations

Training participants from North America are responsible for making their own hotel accommodations.

Hotel Shuttles/Taxi

For a ride to the hotel, ask for a taxi at the ticket office of the Van Galder bus terminal. For a ride to the Danfoss factory, ask at the hotel lobby by at least 7:00 am for a ride at 8:00 am.

If you are staying at the Days Inn or Holiday Express, they can pick you up from the bus terminal if you call them and the driver is available.

Driving to the Factory

Take State Street to Perryville Road. Turn right (north) on Perryville and drive about three miles to Riverside Blvd. Turn right and go east on Riverside for about 1/2 mile to Bell School Road and turn left (north).

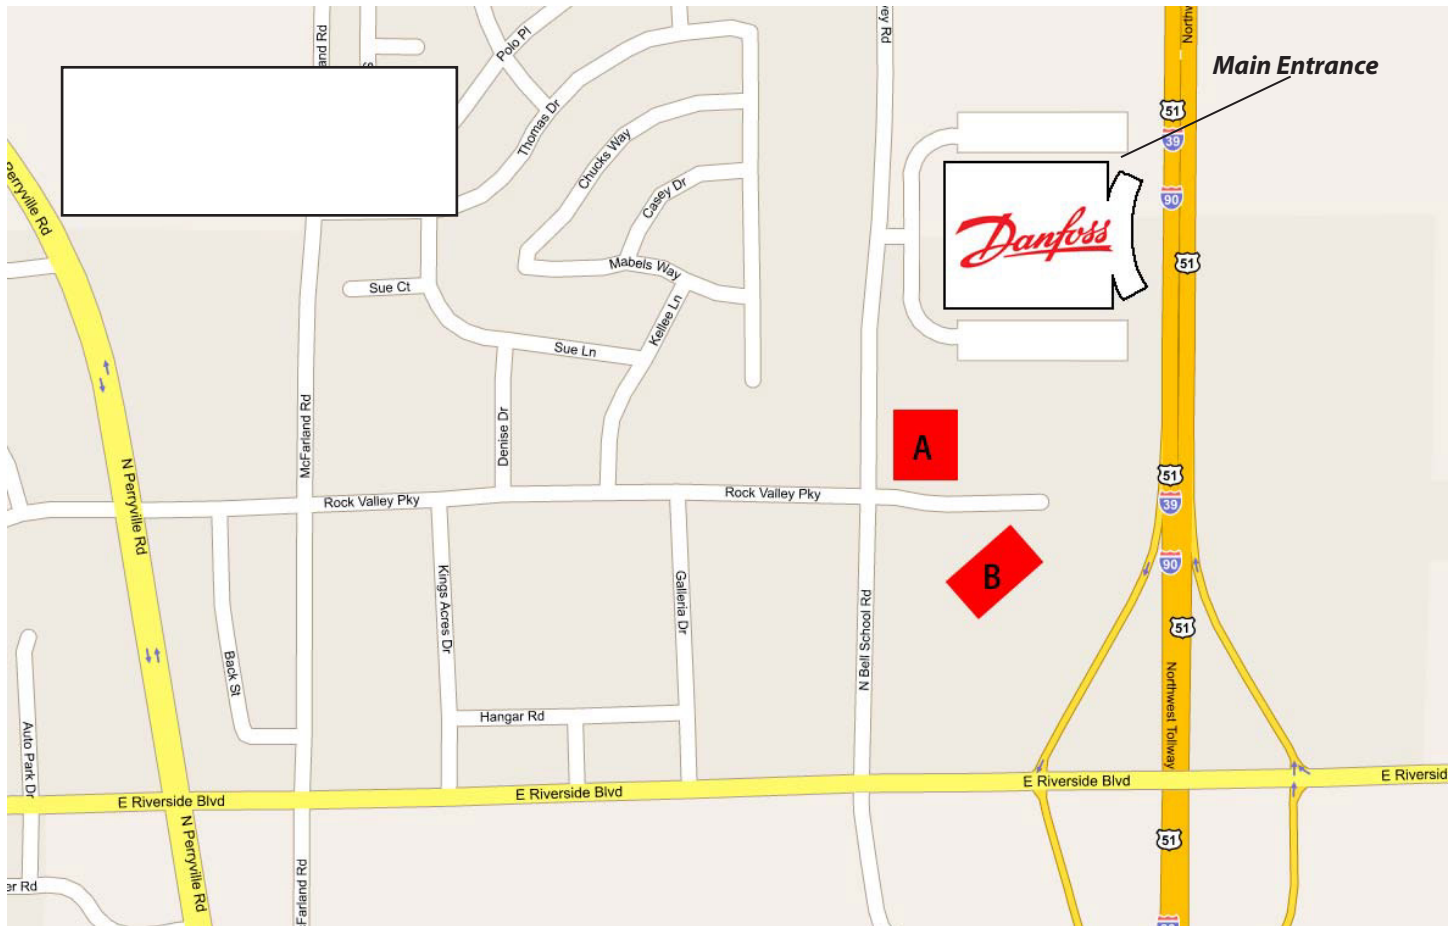

Hotel Information and Rates

	Name	Address	Phone	Rates*
A	Quality Inn	4313 N. Bell School Rd.	815.282.9300	\$54
B	Holiday Inn	7552 Park Place	815.654.4100	\$72

L	Quality Suites	7401 Walton St.	815.227.1300	\$69
M	Radisson Suites	200 S. Bell School Rd.	815.226.2100	\$74
N	Candlewood Suites	7555 Walton St.	815.229.6192	\$99
O	Clock Tower Resort	7801 E. State St.	815.398.6000	\$69
P	Baymont Inn	662 N. Lyford Rd.	815.229.8200	\$85

*Hotel rates may vary from those listed above. Summer rates are higher. If using Ramada Suites, Candlewood Suites, Days Inn, Quality Suites, Hampton Inn, Holiday Inn Express or The Clock Tower Resort, ask for the Danfoss rate.

It is possible to follow Bell School Road north through residential areas to get to the factory. At Spring Brook Road, Bell School turns to the right, toward the tollway, but is not marked.

Once at the factory, follow the Visitor signs and park on the north side of the building. The receptionist will issue you a visitor badge. The main entrance is open from 8:00am to 5:00pm.
